

## Hmong Community Survey

**WUCMAA, Inc, 111 Marshall St., Manitowoc, WI 54220. Fax (920)683-1814, Website: [www.wucmaa.org](http://www.wucmaa.org)**

The Hmong associations have been providing services with helping the Hmong refugees since 1975. The Hmong in America are not refugees anymore. We would like you to advise us in how your local Hmong association would be of service to the Hmong people for many years into the future.

Please find some times in your busy schedule to assist us in deciding what areas of services we could best serve you. This survey is conducted by the Wisconsin United Coalition of Mutual Assistance Associations, Inc. (WUCMAA) and its 13 local Hmong association members.

We encourage you and friends to do this survey online, <http://www.surveymonkey.com/s/2W7KNC9>  
Please also encourage and help other to participate in this important survey.

If you have question, please contact our survey administrator Attorney Koua Vang at [kouavang@tds.net](mailto:kouavang@tds.net) or Phone: (608)256-6400. **Thank you for your time and important information.**
