To Whom It May Concern:

My name is Wa Yia Thao, President of Wisconsin United Coalition of Mutual Assistance Association, Inc. (WUCMAA) that represented 13 Hmong Mutual Associations in the State of Wisconsin. We are preparing for most important annual event this summer. We will be having our 2011 Hmong Wisconsin State Fair at Brown County Fair Ground, Green Bay August 6 – 7, 2011. This event provides a safe and fun place for thousands of families to come and enjoy all the festivities. The intention of the event is to fundraise financial support to the 13 Hmong Mutual Associations so they can continue to provide services to communities.

On behalf of WUCMAA, I would like to invite you and your company to be part of this festival and consider sponsoring this event. I am sure with your sponsorship; it will make every Hmong life a little bit easier and help them to focus on life in our community and the community at large.

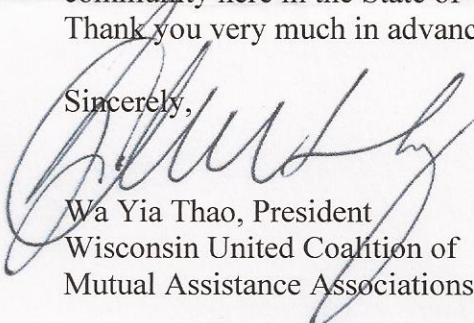

Your sponsorship will strengthen your relationship with the Hmong community through publicity and visibility. It will create good will, customer loyalty and lasting gratitude for you and your company. We will acknowledge your sponsorship on radio and on all promotional materials. You will be given a space to display your company name, products or messages at the festival.

If you are not prepared to commit to a sponsorship at this, please consider making a donation of \$OPEN (your choice of donation) to help the event.

We, the 13 Hmong Mutual Associations look forward to the opportunity to honor and recognize you and your company at this special day in the life of the Hmong community here in the State of Wisconsin.

Thank you very much in advance.

Sincerely,

  
Wa Yia Thao, President  
Wisconsin United Coalition of  
Mutual Assistance Associations, Inc.
